Good morning group members,

I hope everyone is having a great morning.

This emailing is regarding the agenda, I apologize for this being less than 24 hours in advance. Debra has been Cc'ed, but this is for our group meeting, not the client meeting.

The agenda is:

- group members will discuss and ask questions to help finalize their section of the SRS document
- going over the demo Eric has started and shared with us
- deciding on future plans for demo and updating team member assignments

Thank you,
Peter Mansbacher
