Hello Debra,

Hope all is well. Just wanted to send you over a copy of the meeting agenda for today! The team is planning to cover:

- Individual progress made to web scrapers.
- Any feedback related to the revised requirements.
- Individual plans for this coming week.

As our last meeting was on Thursday, we are expecting this to be relatively shorter than our other meetings. So, if there are any agenda points you would like to cover, we would certainly be happy to discuss those as well!

Thanks,  
James Mortensen
