Hi Debi,

I hope you're doing well, this morning and not still suffering from stuffing and turkey overload. For this mornings agenda we'd like to touch on the following topics:

- Facebook/Twitter Scraper progress
- Youtube Scraper + Database Integration progress
- Instagram/TikTok Scraper progress and Database Form integration progress
- Pinterest Scraper progress
- Necessity of using the parent scraper class versus just using individual integrated scrapers for each social media outlet

Thank you, we look forward to speaking with you this morning.
Eric
